#### INDEPENDENT AUDITOR'S REPORT

The Board of Trustees Northern Ocean Habitat for Humanity, Inc.:

Certified Public Accountants

JUMP, PERRY AND COMPANY, LLP

#### Opinion

We have audited the accompanying financial statements of Northern Ocean Habitat for Humanity, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northern Ocean Habitat for Humanity, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northern Ocean Habitat for Humanity, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northern Ocean Habitat for Humanity, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness ofNorthern Ocean Habitat for Humanity,
  Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northern Ocean Habitat for Humanity, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Notes to Financial Statements

For the years ended June 30, 2022 and 2021

### Summary of Significant Accounting Policies

#### a. Nature of Activities

Northern Ocean Habitat for Humanity, (the "Organization"), was incorporated on October 4, 1999 as a Not-for-Profit corporation without capital stock under the laws of the State of New Jersey. It is an affiliate of Habitat for Humanity International, Inc. ("Habitat International"), a nondenominational Christian Not-for-Profit organization whose purpose is to create decent, affordable housing for those in need, and to make decent shelter a matter of conscience with people everywhere. Although Habitat International assists with information resources, training, publications, prayer support and in other ways, the Organization is primarily and directly responsible for its own operations.

The Organization is supported primarily through contributions from the general public and from revenue generated through its ReStore sales. In 2022, approximately 72% and in 2021, approximately 87% of the Organization's total revenue and support came from these sources.

#### b. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. Support and revenue are recorded when earned and expenses when incurred.

#### c. Basis of Presentation

The Organization uses Not-for-profit accounting for contributions received and made and for preparation of financial statements. The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions are net assets available for use in general operations and not subject to donor restrictions. At June 30, 2022 and 2021, the Organization had net assets without donor restrictions of \$2,410,851 and \$1,991,957. Net assets with donor restrictions are net assets subject to donor or certain grant or imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. At June 30, 2022 and 2021, the Organization had net assets with donor restrictions of \$250,000 and \$-, respectively.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

#### d. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### e. Revenue and Support Recognition

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. The Organization accounts for contract and grant revenues, which are exchange transactions, in the statement of activities and changes in net assets to the extent that expenses have been incurred for the purpose specified by the grantor during the period. In applying this concept the legal and contractual requirements of each individual program are used as guidance. All monies not expended in accordance with the grant or contract are recorded as a liability to the grantor as the Organization does not maintain any equity in the grant or contract. Additionally, funds received in advance of their proper usage are accounted for as deferred revenue in the statement of financial position.

Grants are accounted for as exchange transactions. Income from these and other exchange transactions is deferred and recognized over the periods to which it is related.

#### f. Donated Goods and Services

The Organization receives a significant amount of donated goods and services from volunteers who assist in planning, design and construction of new homes. Accounting principles generally accepted in the United States of America require that donated goods be recorded as revenue at their estimated fair value at the date of gift and donated services be recognized in the financial statements if the following criteria are met:

\*The services require special skills and are provided by individuals possessing those skills and would typically need to be purchased if not donated; (or)

<sup>\*</sup>The services create or enhance long-lived assets.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

### f. Donated Goods and Services (continued)

Management has estimated the cost of donated inventory at June 30, 2022 using the results of subsequent sales for July and August of 2022. For June 30, 2021, management estimated the cost of donated inventory using subsequent sales of July and August of 2021. Changes in the estimate will be reported in the statement of activities of the years in which they occur.

### g. Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### h. Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

## i. Cash, Cash Equivalents and Investments

For the purposes of the Statements of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Certificates of deposit with original maturities over three months are classified as investments. Investments in certificates of deposits are stated at cost plus earned interest because that approximates market value. Cash and cash equivalents received with donor-imposed restrictions limiting their use to long-term purposes are not considered cash and cash equivalents for purposes of the Statements of Cash Flows. At June 30, 2022 and 2021, cash equivalents amounted to \$601,965 and \$1,161,690, respectively.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

#### j. Cash - Restricted

Valley National Bank currently services the mortgages on the homes the Organization sells. Valley National Bank requires the Organization to maintain an account with a minimum cash balance of \$1,000. The restricted cash account had a balance of \$1,000 and \$1,000 at June 30, 2022 and 2021, respectively.

The Organization received a grant from the Berkeley Affordable Housing Trust Fund to build affordable housing in Berkeley Twp. They also have a restricted account for monies received from various fundraiser's for a home to be built in Toms River. At June 30, 2022 and 2021, restricted monies for these projects amounted to \$11,348 and \$85,295, respectively.

The Organization collected escrows from future homeowners to be used for the home sales closing cost . The balances of homeowners' escrows are kept in a separate bank account which is reported as restricted cash in the accompanying statements of financial position. At June 30, 2022 and 2021, restricted monies for escrows amounted to \$2,500 and \$-, respectively.

#### k. Investment and Investment Income

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the realized investments are adjusted to their estimated fair market value. Purchases and sales of securities are recorded on a trade-date basis.

#### I. Mortgages Receivable

Mortgages receivable consist of non-interest bearing mortgages, which are secured by real estate, and are payable in monthly installments over the life of the mortgage. The mortgages are presented on the Statement of Financial Position net of unamortized mortgage discount.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

### m. Equipment and Improvements

Equipment and improvements are stated at cost. Donations of property and equipment are recorded at their estimated fair value at the time of the donation. Maintenance and repairs are charged to expense as incurred. Depreciation is computed on the straight-line method over the estimated useful lives of the respective assets, which is 5 years. The cost of leasehold improvements is amortized over the lesser of the estimated useful lives of the assets or the length of the related assets (5-40 years).

#### n. Transfers to Homeowners

Transfers to homeowners are recorded at the gross amount of payments to be received over the lives of the mortgages. Non-interest bearing mortgages have been discounted, ranging from 7.23% to 8.34%, based upon mortgage discount rates set by Habitat International. Discounts are amortized using the effective interest method over the lives of the mortgages.

The following is a summary of home building activity during the year ended June 30, 2022:

	<u>Number</u>	<u>Cost</u>
Homes and land under construction, beginning of year	2	\$ 117,007
Additional costs incurred on beginning inventory	-	225,868
New homes/land started	2	15,225
Homes transferred	(1)	(242,305)
Homes and land under construction, end of		
year	3	\$ <u>115,795</u>

#### o. Home Construction Costs

Construction in progress represents costs incurred to build single-family homes. Upon completion, these homes will be sold.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

#### p. Program Services

Program services include mortgage origination, the cost of homes constructed and transferred, repair of homes, including support and services to the recipients of the repair programs known as "Home Preservation Program", and expenses associated with the operation of the ReStore. Also, since homeowners are involved in building their homes, family support and education activities are inherent in the construction activities.

### q. Income Taxes

The Organization has received exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code under a group exemption letter granted to Habitat International by the Internal Revenue Service.

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization does not have business activities currently subject to tax on unrelated business income. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization currently does not have any open tax years under examination before June 30, 2019.

#### r. Advertising

Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2022 and 2021 were \$18,655 and \$25,999 respectively.

#### s. Bad Debts

The direct write-off method is used to account for bad debts. Accounts are written-off when they are deemed uncollectible, no reserve is established.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 1. Summary of Significant Accounting Policies (continued)

### t. New Pronouncements

In February 2016, the FASB issued ASU 2016-02, Leases. The new ASU will require lessees to recognize for all leases (with terms of more than 12 months) at the commencement date the following a) a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis, and b) a right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term. The new lease guidance also simplified the accounting for sale and lease back transactions primarily because lessees must recognize lease assets and lease liabilities. Lessees will no longer be provided with a source of off-balance sheet financing. This standard will be effective for nonpublic businesses for fiscal years beginning after December 15, 2022. Early implementation will be permitted. The Organization has not yet implemented this ASU and is currently evaluating the impact of the adoption of this standard on the financial statements and related disclosures.

In fiscal year 2022, the Organization adopted Accounting Standards Update (ASU) 2020-07. Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

## 2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

		<u>2022</u>		<u>2021</u>
Cash and cash equivalents Investments Accounts receivable Total financial assets	\$ \$_	601,965 189,967 321,491 1,113,423	_	1,161,690 - 9,388 1,171,078
Less: Amounts unavailable for general expenditures within one year, due to: Restricted use	\$_	14,848	\$_	86,295
Total financial assets	\$ <u>_</u>	1,098,575	\$_	1,084,783

The Organization's financial assets are distributed between four financial institutions.

## 3. Investments in Certificates of Deposit

At June 30, 2022 and 2021 investments in 3-months certificates of deposit amounted to \$240,806 and \$250,604 with an interest rate of 0.90% APY and a maturity date of October 1, 2022. The CD was renewed for an additional three months on the maturity date. The balance is included in cash. The funds are restricted for use by the Board for a house build.

#### 4. Investments

Investments, carried at fair value, at June 30, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Mutual Funds	189,967_	-
	\$ <u>189,967</u> \$	_

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

#### 5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

- Equities, Mutual Funds and Preferred Stock: Valued at the closing price reported on the New York Stock Exchange
- Fixed Income Securities: Corporate Bonds, U.S. Government Obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates, and market-rate assumptions

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

## 5. Fair Value Measurements (continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of June 30, 2022 and 2021:

June 30, 2022	Level 1	Level 2	<u>Total</u>
Certificates of Deposit Mutual funds	- 189,967	240,806	240,806 189,967
Total Investments	\$ <u>189,967</u>	240,806	\$ 430,773
June 30, 2021			
Corporate bonds		250,604	250,604
Total Investments	\$ <u> </u>	250,604	\$ <u>250,604</u>

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

#### 6. Net Assets

### a) Net assets with donor restrictions:

Net assets with donor restriction at June 30, 2022 and 2021 are restricted for the following purposes:

	<u>2022</u>	<u>2021</u>
Construction of an affordable housing	\$ 250,000	\$
Total	\$ 250,000	\$

### b) Net assets released:

No net assets were released from donor restrictions during the years ended June 30, 2022 and 2021.

#### ReStore

In March 2001, the Organization opened a ReStore. The purpose of the store is to accept donations of household goods, furniture and building materials to sell them for a reasonable and inexpensive price. All proceeds from the sale of these goods are channeled back into the construction of new Habitat homes and the repairs of homes belonging to low income homeowners (30-60% of median income). The proceeds from the ReStore have been reported as sales in the accompanying statement of activities.

#### 8. Other Current Assets and Prepaid Expenses

Other current assets consist of land inventory, costs to acquire the land or costs to develop the land that the Organization has for future home sites. It also contains donated gift cards and a security deposit for leased office space. Prepaid expenses consist of rent and insurance.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 9. Property and Equipment

Equipment and improvements consist of the following at June 30, 2022 and 2021:

		<u>2022</u>		<u>2021</u>
Vehicles	\$	342,460	\$	162,161
Office equipment		48,617		31,999
Leasehold improvements	_	57,504		30,895
•	\$	448,581	\$	225,055
Less accumulated depreciation	_	(212,527)		(166,292)
Net equipment and improvements	\$ <u>_</u>	236,054	\$ <u></u>	58,763

There were no disposals of equipment and vehicles for year ended June 30, 2022 and 2021.

### 10. Mortgages Receivable

Mortgages receivable are comprised of non-interest bearing notes, secured by the properties built and sold through the home construction program. Notes have maturities of up to 30 years with the latest one maturing in September of 2049. Mortgages received for the years ended June 30, 2022 and 2021 were discounted as discussed in Note 1 - Transfers to Homeowners. There is no provision for uncollectible mortgages receivable as management believes for all mortgages the collateral is sufficient to cover the receivable.

	<u>2022</u>	<u>2021</u>
Mortgage receivable Mortgage discount	\$ 1,554,186 (790,608)	\$ 1,441,112 (738,963)
Total	\$ <u>763,578</u>	\$ 702,149

Properties under mortgage by town as of 2022:

2
4
2
1
2
1
3
1
2
18

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 10. Mortgages Receivable (continued)

Future balances due from mortgages receivable are as follows:

Year Ending	
<u>June 30,</u>	<u>Amount</u>
2023	\$ 16,677
2024	17,510
2025	18,909
2026	20,419
2027	22,050
Thereafter	668,013
Total	\$ <u>763,578</u>

#### 11. Lease Commitments

The Organization currently houses its operations and administrative offices in the same space. The Organization signed an initial lease on May 4, 2017 for the 10 year period February 1, 2018 through January 31, 2027. The lease includes a common area maintenance fee based on actual costs plus overhead.

The Organization moved its administrative office to a new location. The Organization signed the lease on October 27, 2021 for the 5 year period with an option to renew.

The Organization entered into a three year lease in December 2018 for its construction offices. The lease expired in December 2021. The Organization did not renew the lease.

Rent expense including the common area maintenance expenses amounted to \$215,989 and \$190,167 in 2022 and 2021.

The Organization also leases office equipment under operating leases which expire at various dates. Lease expense was \$8,320 and \$9,523 for the years ended June 30, 2022 and 2021, respectively.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

## 11. Lease Commitments (continued)

Future minimum rental payments (excluding CAM) under the above non-cancelable operating leases in each of the years subsequent to June 30, 2022 are as follows:

Year Ending	
<u>June 30,</u>	<u>Amount</u>
2023	\$ 171,893
2024	181,200
2025	182,662
2026	184,167
2027	185,718
Thereafter	399,720
Total	\$ 1,305,360

## 12. Loans Payable

The loan payable consists of the following at June 30, 2022 and 2021:

		<u> 2022</u>		<u> 2021</u>
Loan payable to a financing company in the amount of \$60,000. The loan is for a term of 5 years with interest at 3.90% per annum. Monthly payments of principal and interest are \$1,102, with the final payment due February 2022. The loan is accurately by the truck payabased.	\$	12 227	¢	26.454
2023. The loan is secured by the truck purchased.	Ф	13,227	\$	26,454
Loan payable to TD Bank in the amount of \$50,445. The loan is for a term of 3 years with interest at 3.50% per annum. Monthly payments of principal and interest are \$1,479, with the final payment due October 2024. The				
loan is secured by the truck purchased.	\$	39,693	\$	-
Loan payable from the Payroll Protection Program in the amount of \$144,922. (See note below for loan details). This loan was forgiven in 2022 and is recorded as other				
income at June 30, 2022.		-	_	144,922
Total loans payable Less: current portion		52,920 (29,854)		171,376 (157,340)
Loans payable, net of current portion	\$	23,066	\$_	14,036

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 12. Loans Payable (continued)

On April 4, 2021, the Organization received loan proceeds in the amount of \$144,922 under the Paycheck Protection Program ("PPP"). Established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), the PPP provides for loans to qualifying businesses in amounts up to 2.5 times the business's average monthly payroll expenses. PPP loans and accrued interest are forgivable after a "covered period" (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP loan is payable over two or five years at an interest rate of 1% APY, with a deferral of payments for 10 months after then end of the covered period. The Organization intends to use PPP loan proceeds for purposes consistent with the PPP and apply for forgiveness within 10 months of the end of the covered period. This loan was forgiven in 2022 and is recorded as other income at June 30, 2022.

Maturities of the loan payable are as follows for the years ended June 30:

2023	\$ 29,854
2024	17,219
2025	5,847
Total	\$ 52,920

### 13. Transactions with Habitat for Humanity International, Inc.

The Organization remits, on a quarterly basis, a portion of its contributions (excluding inkind contributions) to Habitat International (Tithing). Such funds are used to construct homes in economically depressed areas around the world. The Organization contributed \$2,500 and \$5,000 to Habitat International during the years ended June 30, 2022 and 2021, respectively. These contributions are included in program service expense in the Statement of Activities.

#### 14. Support and Revenue

Numerous volunteers have donated significant amounts of time to the Organization's fundraising and program services efforts. Although no amounts have been reflected in the financial statements, management estimates the fair value of those services to be approximately \$351,000 and \$453,000 for the years ended June 30, 2022 and 2021, respectively.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

### 15. In-Kind Donations

The Organization records donated property and services in the financial statements. Accounting principles generally accepted in the United States of America require that non-profit organizations record donated property and services as contributions at its fair market value at the date of donation if there is an objective measurable basis for determining fair value. The Organization received this in-kind support from individuals. Unless otherwise noted, in-kind donations did not have any donor-imposed restrictions.

Donated property and services from the individuals and other organizations for the fiscal years ended June 30, 2022 and 2021, included in the financial statements were as follows:

	Revenue <u>Recognized</u>	Programs/ Activities	Donor <u>Restrictions</u>	Valuation Techniques
Labor	\$ 19,957	Housing	None	Fair market value of actual services provided
Construction Supplies	55,043	Housing	None	Fair market value of the asset at the date of donation
Land	301,000	Housing	None	Fair market value of the asset at the date of donation
Items Sold	1,093,350	ReStore	None	Fair market value of the asset at the date of donation
Total In-Kind Donations	\$ <u>1,469,350</u>			
		<u>2021</u>		
	Revenue Recognized	Programs/ Activities	Donor Restrictions	Valuation Techniques
Construction Supplies	\$ 52,684	Housing	None	Fair market value of the asset at the date of donation
Land	65,000	Housing	None	Fair market value of the asset at the date of donation
Items Sold	964,151	ReStore	None	Fair market value of the asset at the date of donation
Total In-Kind Donations	\$ <u>1,081,835</u>			

A portion of the Organization's functions are conducted by unpaid volunteers. The value of this contributed time is not reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

#### 16. Line of Credit

The Organization has an available line of credit with a bank under which it may borrow up to \$100,000. Amounts borrowed under this agreement bear interest at the daily rate 6.125% and are due upon demand. The line is secured by mortgage receivables of the Organization. At June 30, 2022 and 2021, there were no amounts outstanding.

#### 17. Concentration of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents and mortgages receivable. The Organization considers all cash accounts, which are not subject to withdrawal restrictions or penalties, and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Organization maintains its cash and cash equivalents with high credit quality financial institutions. At times, such amounts may exceed Federally insured limits. The Organization has cash and cash equivalents balances in excess of the Federally insured limits at June 30, 2022 and 2021.

The Organization builds and rehabilitates houses in Central New Jersey. As a result, all of the mortgages receivable from homeowners are concentrated as to geographic risk. Also, all houses built are transferred to low-income families, which, at times, can represent a credit risk.

#### 18. Risks and Contingencies

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. Therefore, it is uncertain as to the full magnitude that the pandemic will have on the Organization's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity and operations, suppliers, industry and workforce.

### 19. Subsequent Events

Management has evaluated subsequent events through January 4, 2023, the date the financial statements were available to be issued.

Notes to Financial Statements (continued)

For the years ended June 30, 2022 and 2021

## 20. Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.
