

Women Build 2024 Opportunities

Women Build is a national Habitat for Humanity initiative designed to engage, educate, and empower women to transform lives and strengthen communities by providing safe and affordable homes for families in need. A Northern Ocean Habitat for Humanity Women Build Team is an enthusiastic group of women who fundraise and work towards our Home Build and Critical Home Repair Programs.

Help us reach our fundraising goal of \$25,000 in celebration of our 25th anniversary year.
