Northern Ocean Habitat for Humanity Become a Home Build Partner

Help Build Our Next Home: Become a Sponsor Today!

Join Northern Ocean Habitat for Humanity as we take action to ensure everyone has access to safe and affordable housing. By partnering with us, you help create lasting change in our community. Together, we can provide families with a stable place to call home. With your support, we can continue building brighter futures — one home at a time.

TOGETHER WE CAN MAKE A DIFFERENCE!

Everyone deserves a safe and affordable place to live.

It is more than just building a home; it is building a better future and a strong foundation for a family in our community.

Through sponsorships and fundraising, we will come together to raise funds and reduce the cost of constructing a home for a neighboring family.

Supporting our home build demonstrates your company's commitment to the community while engaging your employees in a hands-on experience that creates lasting change.

home is the key

“ This home offers a therapy and play room for my disabled daughters. For me, having this home allows me to focus on living instead of surviving. ”

Diana, 22nd Northern Ocean Habitat Homeowner

every home is a building block

A home is the key to building strength, stability, and self-reliance.

When homeownership is affordable, children have improved academic performances in school. Parents are more confident about finances. Families are healthier. Neighborhoods are stronger.

Northern Ocean Habitat for Humanity, along with your support, will create a strong foundation for a family by making homeownership possible.

master builder | \$25,000
